### **Moving into the Future: the Power of Transformational Leadership**

Do you know the difference between transactional leadership and transformational leadership and why it makes a difference in EVERY industry? As the saying goes; “the only constant is change,” and if it’s important for you and your organization to move into the future with positive growth and a thriving staff, you will want to understand how to support this change. This includes appreciating leaders with strength of vision and personality who can inspire followers to change expectations, perceptions, and motivations to work towards common goals. Additionally, that change happens when there is an increase in the leader’s expectation of the follower’s performance which will result in overall increased performance.
